# A Parents Guide to **Using** Scripture for Correction

www.bibleparent.com

There are many common ways parents use to influence a child's **behavior**...a loud voice, rewards, taking away good things, grounding, spanking, even shaming the child? In the end all of these methods yield at best a TEMPORARY change. **There is no change of heart.**

What then are we to do? Scripture is very clear. We love, we do our best to encourage GOOD behavior...and we USE scripture for correction.

Our goal at [www.bibleparent.com](http://www.bibleparent.com) is to provide God's word in USEABLE form...something parents can keep in their pocket and as the need arises give a card to a child and give him a bible out. A bible out is like a time out except the child uses it to memorize the verse. **The problem is you can't use "Bible Outs" if you do not have an appropriate Bible verse with you. By appropriate verses we mean:**

**verses on love**...because love is the most correct thing of all and

**verses on The Holy Spirit** because no child can change his own heart.

Without Love, The Holy Spirit, and a parent willing to provide appropriate bible verse a child has NO HOPE of measuring up.

THERE IS ANOTHER REASON TO USE OUR CARDS. A REASON THAT HAS NOTHING TO DO WITH THE CHILD. What about those times **you** are out of patience, out of time, or just plain too busy to care? Those are the times a Bible memory card makes life easier on the child. Bible memory cards are a win win situation for both parent and child. How we pray you put some in your pocket or purse....and USE them.

We hope you (Fathers included) visit [www.bibleparent.com](http://www.bibleparent.com) and give the cards a try. They are free and very easy to cut up and use.
