

THE BREASTPLATE OF ST. PATRICK

This blessing is for all young children who must choose daily
to lead
or to follow their friends.
I pray many choose to stand for God and for what is right
just as St. Patrick did.

One of the best reasons to use blessing cards is to remind your children that they are never alone...that no matter where they go God is with them and he is on their side. The great secret to being safe is for us to be on His side.

ADAPTED FROM THE BREASTPLATE OF ST. PATRICK

**God's might to direct you, His power to protect you
God's wisdom for learning, His eye for discerning
God's ear for your hearing, His Word for your clearing
God's hand for your cover, His path to pass over
God's buckler to guide you, His army to protect you!**

Ye are the salt of the earth. Matthew 5:13 a
