

Ten Reasons your child **NEEDS** a daily Bible Verse.

- 1. He or she will remember *all his or her life* that God's word was important to you.**
- 2. A PRINTED verse in his or her pocket will remind them all day long that God is with them? Our favorite site with free printable verses is www.bibleparent.com.*
- 3. It is the QUICKEST devotional possible, about one minute a day.**
- 4. God himself guarantees it to be the BEST way to pass his word from parent to child. Deut, 11:18*
- 5. It gives you a chance to pray quickly with your child that the Holy Spirit make the verse real.**
- 6. God's word meets your child's minimum daily spiritual requirement. It comforts, encourages, guides, protects, heals and much much more. Man does not live by bread alone but millions of children are starving.*
- 7. Given time your child will not feel dressed without his or her Bible verse. Given more time it will become**

part of his or her identity.

- 8. It will help THE PARENT focus on what is important even when he or she is VERY VERY busy. When sharing a Bible verse it is critical to do so with love. A gentle touch from mom or dad will make the verse even more precious.*
- 9. At the end of the day return the verse to the bowl or basket and when your child's friends are leaving your home offer them "one for the road". Influence your child's friends before they influence your child.**
- 10. Take a verse yourself. It will be as good for you as it is for the child AND seeing you model the behavior will double (at least) the impact on the child.*

Authors note: Children learn one word at a time. Each of the 52 sets of verses at www.bibleparent.com focuses on a single word for six days in a row...mostly invisible things like faith, hope, love, mercy, grace, forgiveness and salvation. If not thru scripture and prayer how will we make the invisible things real? May God bless each of you and your children. Don't make them do without God's word.
