

# Give your home a Bible Makeover

Most parents witness to their children at most 2-3 times a year. Giving your home a Bible makeover witnesses to them hundreds of times each day. Review the commands in Deut. 6:6-9...*the second half of the Greatest commandment...* "And these words that I command you today shall be on your heart. You shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise. You shall bind them as a sign on your hand, and they shall be as frontlets between your eyes. You shall write them on the doorposts of your house and on your gates." Choose one of the following crafts each day for a week.

For day one of your homes Bible makeover visit [www.bibleparent.com](http://www.bibleparent.com), click on crafts and then "Clock". Print the clock face and glue it in a large paper plate. Hang the clock on a wall. Let it be the the one thing parents need most "A daily reminder."

Day two is even easier and faster. Purchase a Scripture calendar with flip over pages. Put one by each child's bed. It will be, as God commands, the first thing they see in the morning and the last thing at night. If you do not have a Bible gift shop near your home go

to [www.bibleparent.com](http://www.bibleparent.com), click on crafts and download a free "Scripture Flipper".

Day three is to do a google search for a "Scripture coloring page". These pages work best when you sit down and color WITH your children. You choose your page and they choose theirs. Our favorite page from the 1,400 pages at [www.bibleparent.com](http://www.bibleparent.com) is the one to the left "Getting to Know God". **It DECLARES that GOD IS... Who He is, and to put him first.**

Day Four: "Pocket Scriptures". **"Study and Pray, Trust and Obey, A verse a Day. There's no other way."** Having a Bible verse in their pocket gives children the feeling that God is with them. Try putting a small bowl of verses by the front door for them to tuck a verse in their pocket each time they leave the house. Go to [www.bibleparent.com](http://www.bibleparent.com), print a page of Scripture strips and snip off a verse a day.

Day Five is print and color a "Son Catcher" then tape it in a window to remind everyone that God's light enters the home through his word. Visit [www.bibleparent.com](http://www.bibleparent.com) and click on crafts then Son Catchers. These coloring pages **give children the power to change their homes by what they make and color.**

Day six: If you were waiting for something SIMPLE, this page is for you. Choose your favorite poster at a local Christian Book Store OR download a Free Poster at [www.bibleparent.com](http://www.bibleparent.com). We especially like this "Heart" poster as it is a litmus test for heart belief...also good in window.

Day Seven: On one side of a cup write "From Me to Jesus". On the other side write from "Jesus to Me." The parent/teacher prays a one sentence prayer and puts it in their cup. Each child then does the same. The children cannot take their prayer out of the cup until God has answered...even if the whole church must join them in prayer.

**Let them TASTE for themselves that the Lord is good/ PERSONAL and they will STICK with Him and the church for life. Psalm 34:8.** Free take homes at [www.teachustoprayer.com](http://www.teachustoprayer.com)
