

Pray for: Coloring Book Evangelism?

In lots of 100,000 we can print our coloring books for 20 cents each and give them free to any church able to pay the postage. Our plan was to pledge the funds from the sale of some land left me by my mother BUT the Shawnee County Commissioners are demanding the new owners hook up to the sewer at a cost of \$50,000 per five acre lot...more than we could get for the land. Could you pray God soften the hearts of both the city and county attorney's they are very angry with one another and we are getting crushed. This does not seem a very spiritual prayer request but it would allow the evangelism project to continue.

For the first time since my heart attack I see the Doctor this Tuesday. So far no one has explained to me exactly what to expect. Could you pray that Dr. Sheehy will do this. Could you pray also that whether the news is good or bad God send people with whom I can share my dream and the work of the last forty years??? I hate to think of it all coming to nothing.

If I am to continue I pray The Holy Spirit purify the dream and guide both my heart and mind.
