

**“Mom...Dad...Grandma...could you help your child cut up these Bible verses and put them in a bowl somewhere in your home so that each morning everyone in the family puts one in their pocket before beginning their day? Carrying a scripture through the day should help your child feel safe, and help him understand that God cares about each of us very very much. Could you join in the spirit of things and put one in your pocket too. Try it for just one week and it is almost certain to become a new family tradition. Offering a scripture to your children’s friends is a great way to influence the whole group. Thank you very VERY much for your help.**

# WHY WE BELIEVE OUR COLORING PAGES AND POCKET SCRIPTURES COULD CHANGE YOUR CHURCH THE NATION AND THE WORLD OVERNIGHT!!!

\*Carrying a scripture with them increases a child's sense of **EXPECTATION** that God will make it real. No amount of pure memorization can accomplish this.

\*The first thing anyone who works with children learns is that *there is never enough of you to go around to all the children*. When faced with this inevitable problem...a child in need of personal attention...we can give them a sheet of pocket scriptures fitted to their **FELT NEED**: fear, anger, loneliness etc. and we trust God will stand by his word.

\*For children, especially the children of divorce, the pocket scriptures also provide a sense of **IDENTITY**...even a sense of group identity if they know all the children in their church are also carrying a pocket scripture each day of the week.

\*Point number four is that our pocket scriptures are rarely if ever a complete verse. We ask the parents to help the children look up the second half of the verse. It gives a child *the FEEL of a Bible* in their hands. It gives parents a **starting place** in their role as spiritual leaders. Taking two minutes a day to look up just one bible verse is something almost any parent can handle. Such a simple thing can have **BIG** results because God does all the heavy lifting. This humble beginning is something local pastors can build on, a way to **INVOLVE** parents.

\*It is God's command in Deut. 11:19, 'Fix these words of mine in your hearts and minds: tie them as symbols on your hands and bind them on your foreheads. Teach them to you children when you sit at home...*so that your days and the days of your children will be many*.' These words were written 3,000 years BP (before pockets). They are an old idea, God's idea. They make me think of the children in my first class of preschoolers especially the four who died before the age of 18. I have no way of knowing if a scripture in their pocket would have saved their lives but I believe with all my heart that: **Pocket Scriptures are the least we can do...THE VERY VERY VERY LEAST.**

\*Putting our coloring pages out in doctors offices and auto repair waiting rooms with an invitation to visit your church could be an open door to church growth.
