

# BLESSING FOR SPIRITUAL RICHES

Poverty follows divorce like bears follow honey. The trick is not to let either one rob you or your children of the things that matter most...faith...hope... and love. This little blessing can help remind both you and your children of what true riches really are. Just put one hand on your child's head or shoulder and read the blessing out loud. The personal pronouns are he(either he or she) and h (either her or him).

## **Blessing for Spiritual Riches**

( Or a material one, fill in the blanks with the appropriate gender)

**Father God, Creator God, I bring \_\_\_\_\_ to you for your RICHEST blessing, not money, or clothes or even fame or good health. I ask that you bless h\_\_ with an inner knowledge of how much you love h\_\_. Give h\_\_\_ a curiosity to truly understand the Bible and how it works for us in real life. Father you reward us all for each step we take toward you and your word. Guide h\_\_\_ toward you and the greatest reward of all...the gift of your Holy Spirit. BLESS h\_\_\_\_ FATHER TO SEE THE INVISIBLE RICHES OF HEAVEN: GREAT FAITH, GREAT HOPE AND GREAT LOVE. Bless h\_\_ with more of these and more of you each day.**
