

**How long does it take
to hide a Bible verse
in your heart?**

An open book is the central focus, with a Bible verse printed on its pages. The background consists of a complex, tangled web of black lines on a white background, resembling a maze or a dense thicket of branches. The book is rendered in a simple, bold style with a grey cover and white pages.

**In my heart I
store up your
words, so I
might not sin**

Psalm 119:11
