

PROJECT SURROUND

Helping your church supply parents with the Bible verses they need to surround their children with God's word...coloring pages, pocket scriptures, and more...hundreds of free printable pages emphasizing that: "God's light enters the home through his word."

The coloring pages. We hope all Sunday School teachers keep some by the door of their classrooms...offering parents the one thing they need most...A STARTING PLACE ... in becoming the spiritual leaders their children need...the spiritual leaders God has asked them to be. *These coloring projects also offer inner city children the power to change their homes by what they make and color.* Everything is free at www.biblehome.org. Use them for family time, for Sunday School, or as an alternative to TV.

The "Pocket Scriptures" and "Scripture Strips: can be found at: www.bibleparent.com. It is the only site in the entire world with free PRINTABLE Bible verses. We pray that churches and Sunday Schools sign up to receive our free weekly bulletin inserts and "Scripture Strips" each featuring...a verse a day...the only way. Don't make the children in your church or family do without God's word.

The Activities. Verses that flip and verses that fly, home games and craft projects are also free at www.thevbshalloffame.com. The marble games and bible Frisbees are great activities for any family, even better for Vacation Bible School or weeknight activities. The scripture flippers and Bible Magnets are gifts any child can be proud to make and give. There are also a variety of special projects for most holidays... mother's day, father's day, Christmas, Easter etc. Surrounding children with Bible verses can be FUN.

Adding Prayer. No one can believe in a Bible Verse until the Holy Spirit makes it real and you can't pray rightly without scripture. www.teachustoprayer.com is filled with hundreds of family friendly prayer tips. It is our oldest website and has been featured nationally by over 30 major denominations, most notably a feature article in the Salvation Army Magazine "War Cry". A HABIT of praying with others is the ONE THING most likely to connect a child to God and church for life.

Deuteronomy 11: 20-21 says: "Write them upon the door posts of thine house, and upon thy gates: That your days may be multiplied, and the days of your children," As most homes today do not have gates or doorposts we believe God is asking us to put his word ON DISPLAY...in windows, on fridges, on mirrors and bedroom walls...similarly we believe that few children will tie Bible verses to their foreheads or wrists so we offer pocket scriptures. Hope you pray God helps us get our PRINTABLE verses to those who will share them with this next generation. **Printed verses have gone out of style** but we feel strongly that they are important to children and families.
