

# The Invisible Gifts Jesus Gives

The following homemade Christmas ornaments will bless the child who cannot afford to purchase gifts for loved ones...ALSO the child who needs help understanding that invisible gifts, the kind Jesus gives, are the best of all gifts.

**Directions:** Use a large can of pumpkin pie filling to draw a circle on a piece of paper. Cut out the circle and let each child choose an invisible gift from the following list, color it to the best of their ability and add a piece of yarn for hanging the ornament. Help the children make enough ornaments for teachers and family and a few for their own tree.

*Mercy, Strength, Companionship, Joy, Healing, Freedom, Truth, Faith, Life, Purity, Hope, Love, Peace, Forgiveness, Comfort, and more.*

**May every child in the world, no matter how little money they have, realize they have something to give. May every family in the world decorate their tree, their home and their church with the same INVISIBLE Gifts Jesus longs to give each of us. May there be enough large cans of pumpkin to go around. JOY to the world and especially to the children he loves.**
