

# Ten Ways to invite someone to church

Cut out all ten thoughts and grab a fresh idea each day.

1. Pray for God to lead you to just the right person to invite to your church.
2. Put a question in your churches Sunday bulletin. “Who could I ask to church THIS WEEK.” Then make room for two names. Person #1 \_\_\_\_\_  
Person 2 \_\_\_\_\_
3. Post an invitation on your facebook page.

4. Make church growth a family affair by sitting down together and sending “Thinking of You...Join us for Church” Cards to friends and family.

5. Suggest your church print business cards with an invitation to visit your service. Give a small pack of cards to each church member.

6. Put a reminder near your bed to start each day with a prayer that God would help you invite just one person to go to church with you.

7. **Get to know your neighbors.** Once a month have coffee or a covered dish meal with some sort of youtube or activity. Rotate from house to house. Invite your pastor at least once a year. My grandmother belonged to her neighborhood group for over 60 years. Small groups of any size are a great tool. Invite your friends.

8. Evangelism is for all ages. Focus on EQUIPPING the children... your children ...to reach out to their friends. Once a month invite your children’s friends to a play night or afternoon. *Influence them before they influence your children.* Visit [www.bibleparent.com](http://www.bibleparent.com) for thousands of FREE children’s activities.

8. Get a Jesus bracelet, anything that will **REMIND** you to share HIS KINGDOM with others.

9. Announce your churches events on Christian radio and local newspaper. Advertise free meal to first time visitors. Offer free rides to church.

10. **Give your home a Bible makeover.** The authors website [www.bibleparent.com](http://www.bibleparent.com) offers thousands of free bible craft and coloring projects ... God’s word for walls, windows, doors, mirrors ...more than enough to surround the entire family PLUS influence guests and visitors.
