

Quiz for Christian Parents

Are you **DOING** the things that make you the spiritual leader your children need?

Raising children without God's word is like running a marathon with one leg. Don't limp through parenthood! Let God's word be your other leg. Post this insert on the fridge until you can check all the blanks??

***Explain** to your children that God gave us His word to help us know Him better and to trust His love...that it is more than a book...that His power backs His word.*

***Ask** your children questions about the Bible verses they bring home from Sunday School. There is nothing like a question to help a child think.*

***Let** your children SEE you using Bible verses yourself... perhaps a verse or two tucked in your pocket or purse?*

***Keep** a Bible Verse calendar near each child's bed.*

***Share** what a special Bible verse means to you...how it has helped you believe in, understand, or trust God more.*

***Put** a verse on the dashboard of your car.*

When sharing a Bible verse always do so with love.

***Use** Bible verses to comfort, encourage and protect your child. Put some verses in a bowl and when a child has a need, pass the bowl! (One great website with hundreds of free printable Bible Promise cards is www.bibleparent.com.)*

***Put** God's word ON DISPLAY in your home. Start with the coloring pages at www.bibleparent.com. We especially like the Son Catchers.*
