NLT

God goes where his  
word goes. Start each  
day with a verse in  
your pocket and he  
will go with you.

Why children should start each day with  
A Bible verse in their pocket

1. Because God's word gives us life and health.
2. Because it is one of God's commands to parents. Deut. 6:8
3. Because kids learn ONE WORD at a time and a verse a day gives them TIME to learn the big words like faith and love.
4. Because a Bible verse in his or her pocket helps a child feel safe in an often scary world.
5. Because 5-12 year olds are unlikely to look up a Bible verse on their own... even if they do carry a phone.
6. Because it gives the Holy Spirit a chance to influence the child BEFORE his friends do.
7. Because the child will remember ALL HIS OR HER LIFE starting each day with a Bible verse in their pocket.
