

Playing Bible Frisbee is good practice for sharing'

God's word.

Aim at the heart not the head.

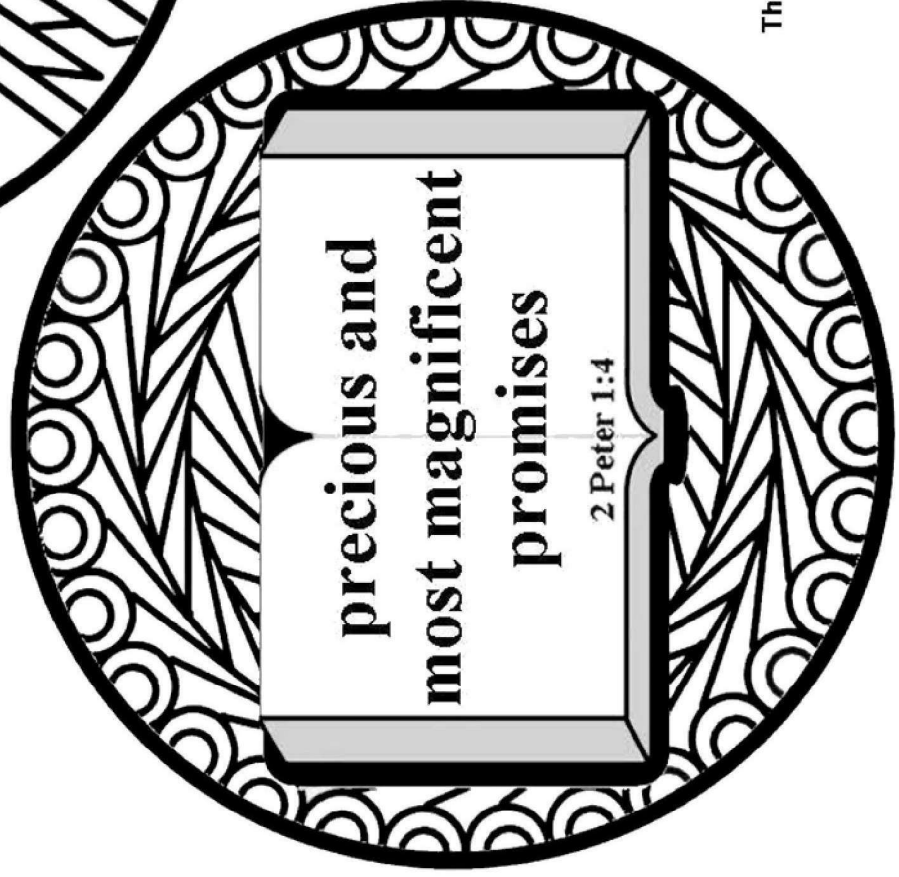

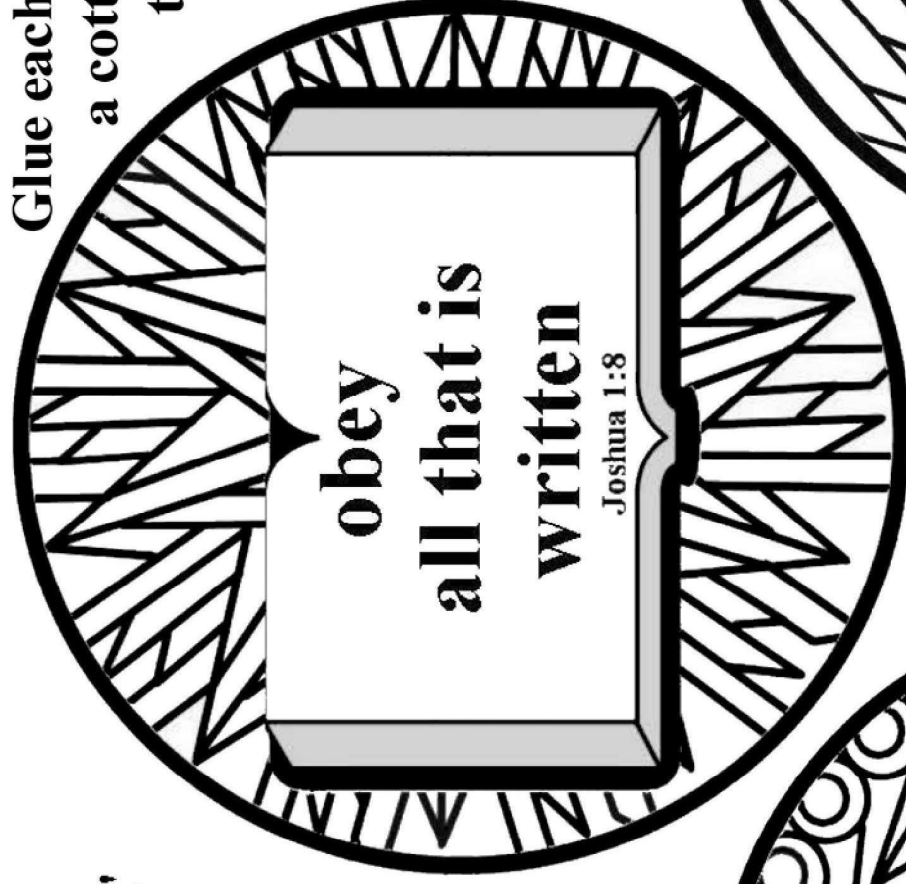

Wait till you have your friends attention.

Don't throw too hard.

Glue each mini Frisbee face inside a cottage cheese or margarine

tub lid. (Hobby lobby has some great craft foam glues but be sure to check the label before using any glue indoors with children.

Regardless of what glue you use it is best to rough up the inside of the plastic lid with a small piece of sandpaper.
