

The Invisible Gifts Jesus Gives

Thirty some years ago I was teaching at an inner city after school program. Very few of the children were able to give gifts. The entire staff prayed and next day as we waited for the children I began making a list of the gifts Jesus gives. Over the next few days I began to think the children could give the same kind of gifts...invisible gifts. We began our invisible gift making with a large can of pumpkin pie filling. Then we traced circles around the bottom of the can. The children cut out four circles each. We let them choose their favorite four gifts

From the following list.

Mercy, Strength, Companionship, Joy, Healing, Freedom, Truth, Faith, Life, Purity, Hope, Love, Peace, Forgiveness, Comfort, and more.

May your holiday be filled with all these gifts especially joy and may there be enough cans of pumpkin for every child in the world to have something to give.
