Best VBS Ideas Ever **Give your life/home** **a Bible Makeover** **It's a command**

Deut. 6:8-9 "You shall bind them as a sign on your hand, and they shall be as frontlets between your eyes. You shall write them on the doorposts of your house and on your gates."

Try these also:

- ☐ **A verse in each window...** a REMINDER that God's light enters the home through his word.
- ☐ **A verse in your car...** on the dash and behind the seats. Take God with you wherever you go.
- ☐ **In your child's pocket as they leave for school**, giving them a constant reminder that God is with them.
- ☐ **Just above your doorknobs**, so your children know that His word opens the door to Him.
- ☐ **Taped to the back of your tv controller** and on your computer.
- ☐ **Inside your cupboard doors**, so it is a surprise each time you open the cupboard.
- ☐ **On bulletin boards throughout the city.** Sharing God's word with others, a reminder that we are all His children.
- ☐ **By the light switches in your church** because God's word is a light to our path AND because it helps children view their church as a second home.

- ☐ **In as many mirrors as possible...** a reminder of God's desire to see His word in you.
- ☐ **Add a verse to each child's lunch sack or box** BECAUSE God's word is food to our souls.
- ☐ **Inside cover of each child's school book** because studying God's word is more important than any class in school.
- ☐ **Most importantly fill a bowl** to place by each child's bed (starting and ending each day with God's word is a memory that will last a lifetime)... then praying together that God move the verse from your heads to your hearts.
- ☐ **Put a verse inside a plastic whipped topping lid** then play Bible frisbee... Aim at the heart not the head.
