Parent Guide for "Growth" Coloring Pages

Dear Parent/Grandparent: There is nothing sadder than a child who will not eat and does not grow. This is equally true spiritually.

The biggest part of the new life in Christ is exercising our Faith, believing that God will do what he says he will. This set of coloring pages however focuses on **helping children do their part** in sustaining their new life, their need to pray, to meditate, to study, to fellowship, to do good works, to grow in love, etc. etc. For the full set of 30 coloring pages see your Sunday School teacher or visit www.homewardnow.com. How we pray that as you color this set of coloring pages with your children God himself will help you grow ...**together**.

For the next few weeks we will be sending home a coloring page focusing on Christian Growth (our part in SUSTAINING our new life and feeding the Spirit God has put in our children's hearts.). **We hope you will color them with your child and put them on display in your home.**
