Parent Guide for “Jesus” Coloring Set

Dear Parent: Whether your child is four or fourteen church and Sunday School are all about getting to know Jesus. One very good starting place is teaching your children Jesus names. As we help a child learn Jesus names The Holy Spirit helps her/him get acquainted spiritually.

For the next few weeks we will be sending home a coloring page which features a cross and one of Jesus names. **We hope you will color it with your child and put it on display in your home...**the refrigerator is a good place.

Another good place is in an east window where the sunlight shines through it. We like this idea because it helps remind us that Jesus not the sun is the true light of the world and that we can't understand scripture without His help. If you like these coloring pages you can get a full set of fifteen by visiting www.homewordnow.com.
