

**A group of
my friends once
convinced another
friend that a week
in London really
was eight days.**

**He really
believed it.**

*(That was when we were all
young...before the internet.)*

**with the heart
man
believeth**

Romans 10:10

Verse from the King James

**The kind of
believing God
is offering is
not like that
at all.**

**It is NOT
something
anyone can
do without
God's help.**

**Why not
ask God
to touch
your HEART
and help
you
believe.**

**It is the
only way.**
