

Minimum Daily Requirement

**Don't make
any child
do without.**

**KEEP this verse in
a safe place,** maybe
taped to your forehead.
It could be the most
important verse of all.

Does faith get us
whatever we want
or just the things
God promises?

Could hearing God be
easier if you kept
a Bible verse in
your pocket.

The second half of
prayer is the best...
the part where we
are quiet and
God talks.

The best time to
ask God for help
is early morning
BEFORE you
make any mistakes.

Getting God's help
usually means we
must give up trying
to be in charge.
