## Minimum Daily Requirement

Don't make any child do without.

When Daniel, Joseph,
Samuel and Moses were
in trouble God rescued
them. Trust him
and he will rescue you.

When you look to God He looks to you.

Each morning God lifts us out of yesterday's problems into hope.

When you pray God is very near. Tell him how you feel. Tell him you need his love.

To fly (soar) with God you need two wings, one is called "Trust", the other "Obey".

Being humble means admitting we need help...God's help.
