Being hurt by others even members of your own family is a sad reality for many children. If you are one of those children pray first and then tell someone what is happening to you.

**God will help you.
Do not be afraid to tell
your story to others.**

God does not want you to live in fear. He wants to set you free and protect you.

God goes where his word goes. Start each day with a verse in your pocket and he will go with you. This week's verses are about "Love".

let us love one another: for love is of God;
1 John 4:7

Love is patient and kind. Love is not jealous or boastful or proud
1 Corinthians 13:4

Love your enemies
Matthew 5:44

serve one another in love.
Galatians 5:13

Owe no one anything, except to love each other,
Romans 13:8

how very much our Father loves us, for he calls us his children
1 John 3:1

Our dream is that every Parent and Church in the Body of Christ does everything in their power to put at least one Bible verse a day in the life of every child in the world.

Click the left hand image to print the verses and the Right hand Image for a few questions to print on the back, questions to help start your children thinking.

We pray that every child in the world starts each day with a Bible verse in his or her pocket.

Minimum Daily Requirement

Don't make any child do without.

Loving one another is not always easy, but God is always ready to help. Just ask.

The King James Bible says "Charity" instead of love. Maybe we should love people who need it as much as the ones we like?

Pretty soon you wouldn't have any.

How does your family serve/love you? How do you love/serve them?

Who is richer the person who loves a lot or the person with money?

When no one else seems to love us our Father does.

1. Read the passage from 1 Corinthians out loud. Memorizing also permitted.
2. Put the verses from 1 Corinthians on your wall and pray that God (the Holy Spirit) helps you understand each word.

Pocket Scriptures

A verse a day for the week before Valentines Day.

What if? Each person in your family/church started each day with a bible verse in their pocket, carried it all day, read the verse again and at the end of the day returned it to a special bowl! Would your children remember it all their lives?
