One of my favorite Bible Verses is Mark 9:24 which ends: “Lord, I believe, help my unbelief. “

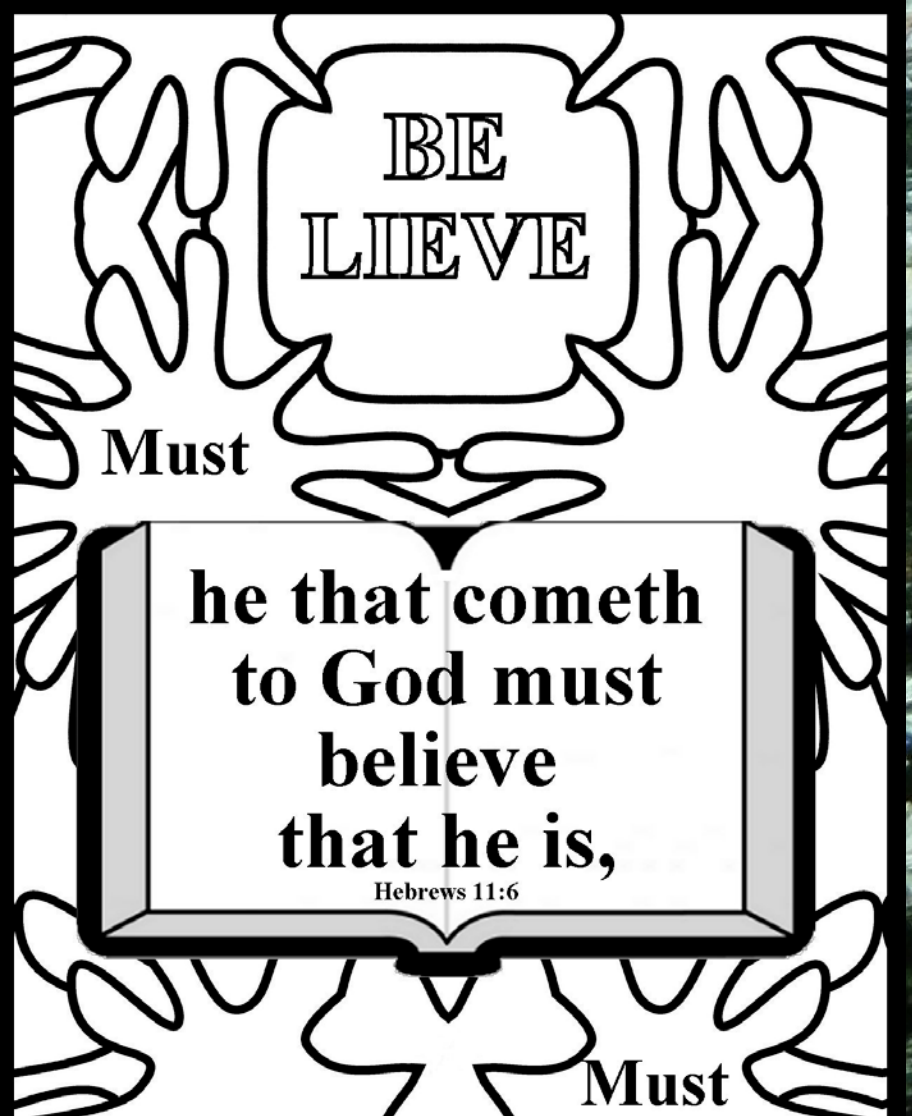

I like the verse because it says God helps us believe. He helps us one problem at a time, one verse at a time, one day at a time.

Half of prayer is
TALKING to God.

The other half is
LISTENING.

Talking is easy. Listening is
something we **grow** into one
day at a time. We hope you

Loving others is not easy... Jesus found that out.

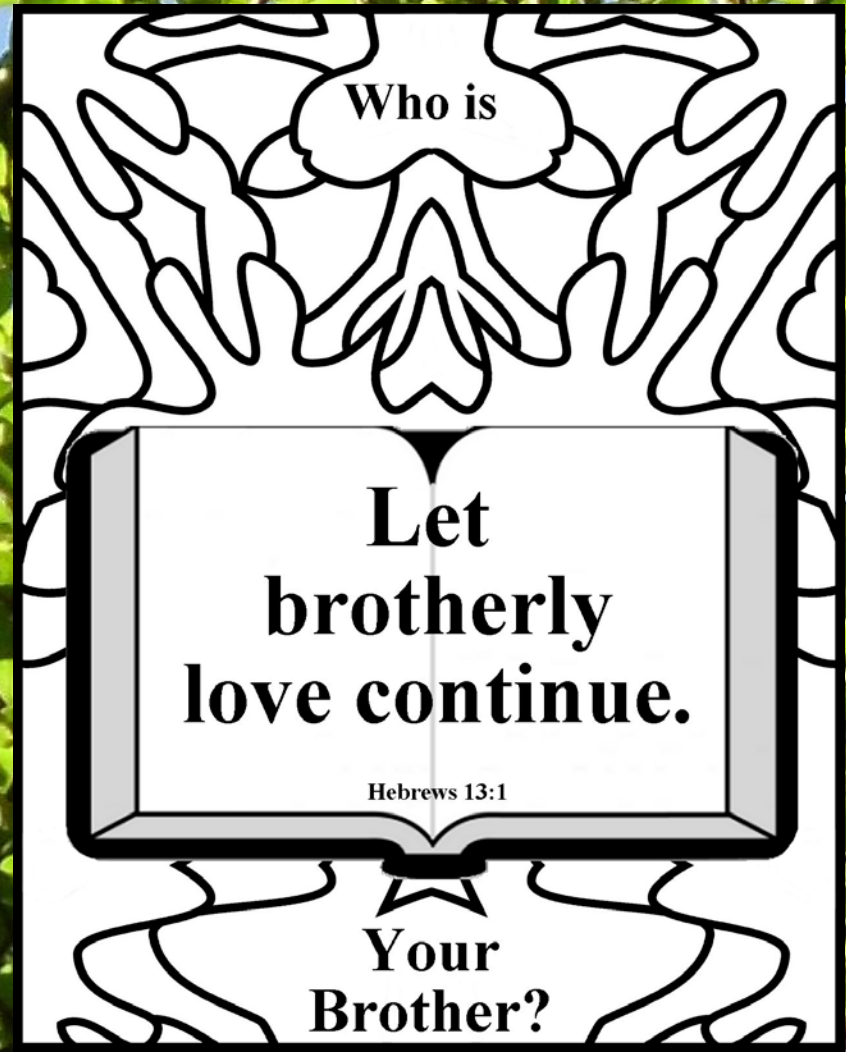

It is however a command, if we want Jesus to forgive us we must forgive others.

Read 1 Corinthians 13 and you will see how hard love is. Then ask God to help you love as he loves.

To remind yourself and your family that **God's light enters the home through his word** cut out this Son Catcher and tape it in your window.

No matter how big you are or think you are a church is a good place to grow.

No matter how big you are

A Church is a good place to grow.

seek ye first the kingdom of God,

shall be added unto you.

Being a child of God means he will help when you are lonely, angry, afraid or confused?

Being a son means you will do your best to help others who have the same feelings.

[The King James Translation:](#)

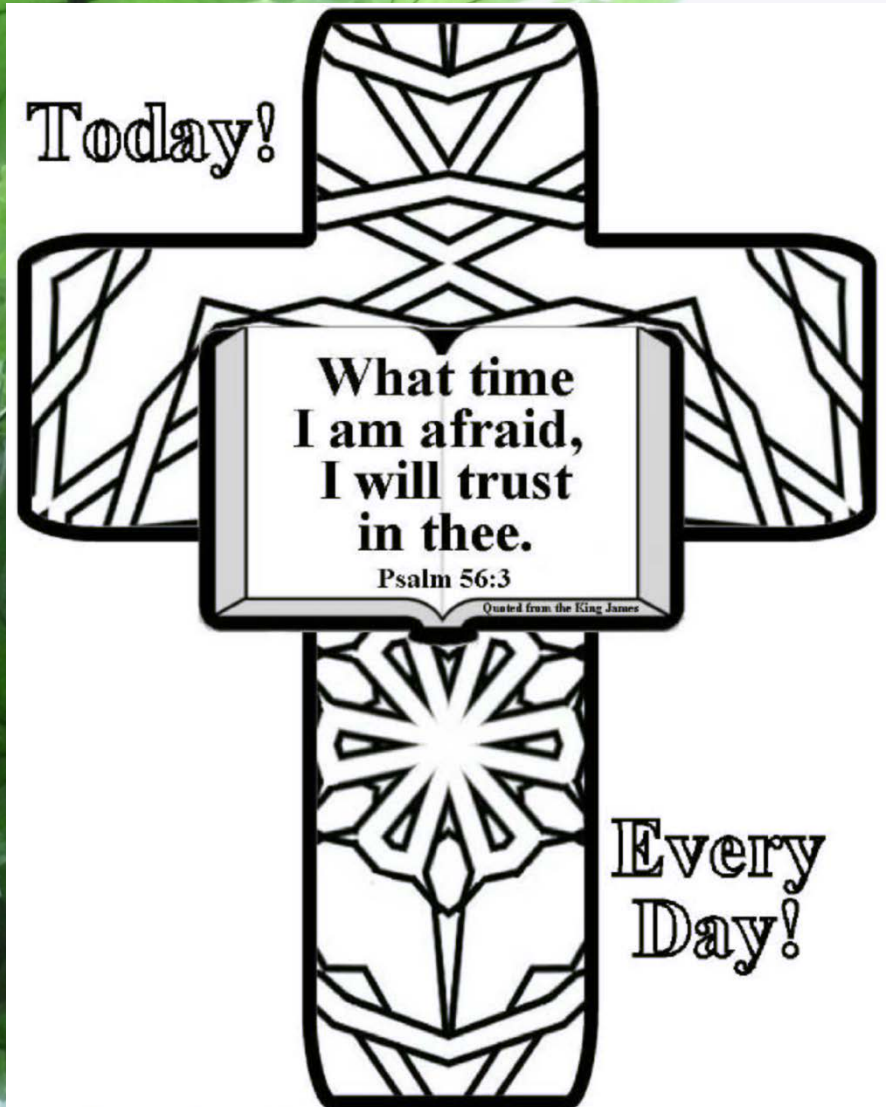

Sometimes we must trust God to rule things outside us, things like having enough food or a place to stay.

Sometimes we must trust him to rule things inside us, things like fear and anger or loneliness.

We can't always see God's hand but we can always ...TRUST HIS HEART.

**Keep some near your Television for the next time your
children need something to do.**

To read the verse...the children will need a mirror.

To understand it they will need to pray.

Encourage both.

Most Bible verses are worth a closer look. For this one we must use a mirror.

For all the others we need God's help. Look close...look often...pray about each verse.

Why is a Bible verse NOT like looking in a mirror?

Because... when you look in a mirror you are thinking only of yourself. When you look at a Bible verse it helps you focus on Jesus and his command to love others.

**Getting a child's spirit grown up means:
Surrounding them with Bible verses,
helping them pray at least once a day,
and suggesting they be more sensitive to
