# Believing

is not always easy.  
It means surrounding yourself  
with Bible Verses.  
It means praying.  
It means going to Church.  
It means loving others.  
Mostly it means learning  
to recognize the Holy Spirit when  
he is speaking to your spirit.

Believing is easier if your surround yourself with Jesus and his word.

# Jesus is our Teacher.

After you become a Christian God wants you to grow. **A big part of growing is learning.** One very good idea is to carry a Bible Verse with you each day of the week and then ask God to put it in your mind and write it on your heart. Jesus has promised he will do this. The rest of this verse is “and write them on their hearts.”

# Holy One

“Holy” is a very big word. The Dictionary says it means “completely devoted to God or his work” Another way of saying this is that we must learn to be dead to ourselves and alive to Christ. In the end being “Holy” is impossible unless we have asked Christ in our hearts and then do our best to know him better and to serve him only.

# The True Vine

Imagine what it would feel like to be a branch on a grape vine and then have someone cut you off and throw you in a pile on the ground. You might look the same for a day or two but you would be dead and your leaves would dry up and fall off. That is what sin does. It cuts us off from the vine. Let Jesus graft you back in.
