Everybody prays when they are in trouble...Daniel in the Lions Den, Joseph when his brothers threw him in a pit, Jonah when he got eaten by a whale. Jesus way of praying was BIGGER. He taught us to pray every day BEFORE we get into trouble, prayers like "give us this day our daily bread" and "Lead us not into Temptation". Have you ever prayed in the morning before you got out of bed.

Who could you pray for today? Your mother or grandmother? Maybe your step mother or father? Maybe you could pray for everyone in your family... the ones who were born into your family and the ones who weren't?

The family that prays together really does stay together.

**When you pray do  
you ask God what to do or  
tell him?**

**Prayer tip #1: No one is  
smart enough, loving  
enough, or powerful  
enough to tell God what he  
should do. It is much  
better to learn to pray with  
a trusting heart..."Thy  
will be done".**

**No one can pray rightly  
without knowing the  
Bible. (John 15:7)**

**No one can understand  
the Bible without  
Prayer. (1 Corinthians 2:14  
and many other verses)**

**Prayer and scripture go  
together like air and  
breathing. You can't do  
one without the other.**

There are many definitions of faith. One of the best is:

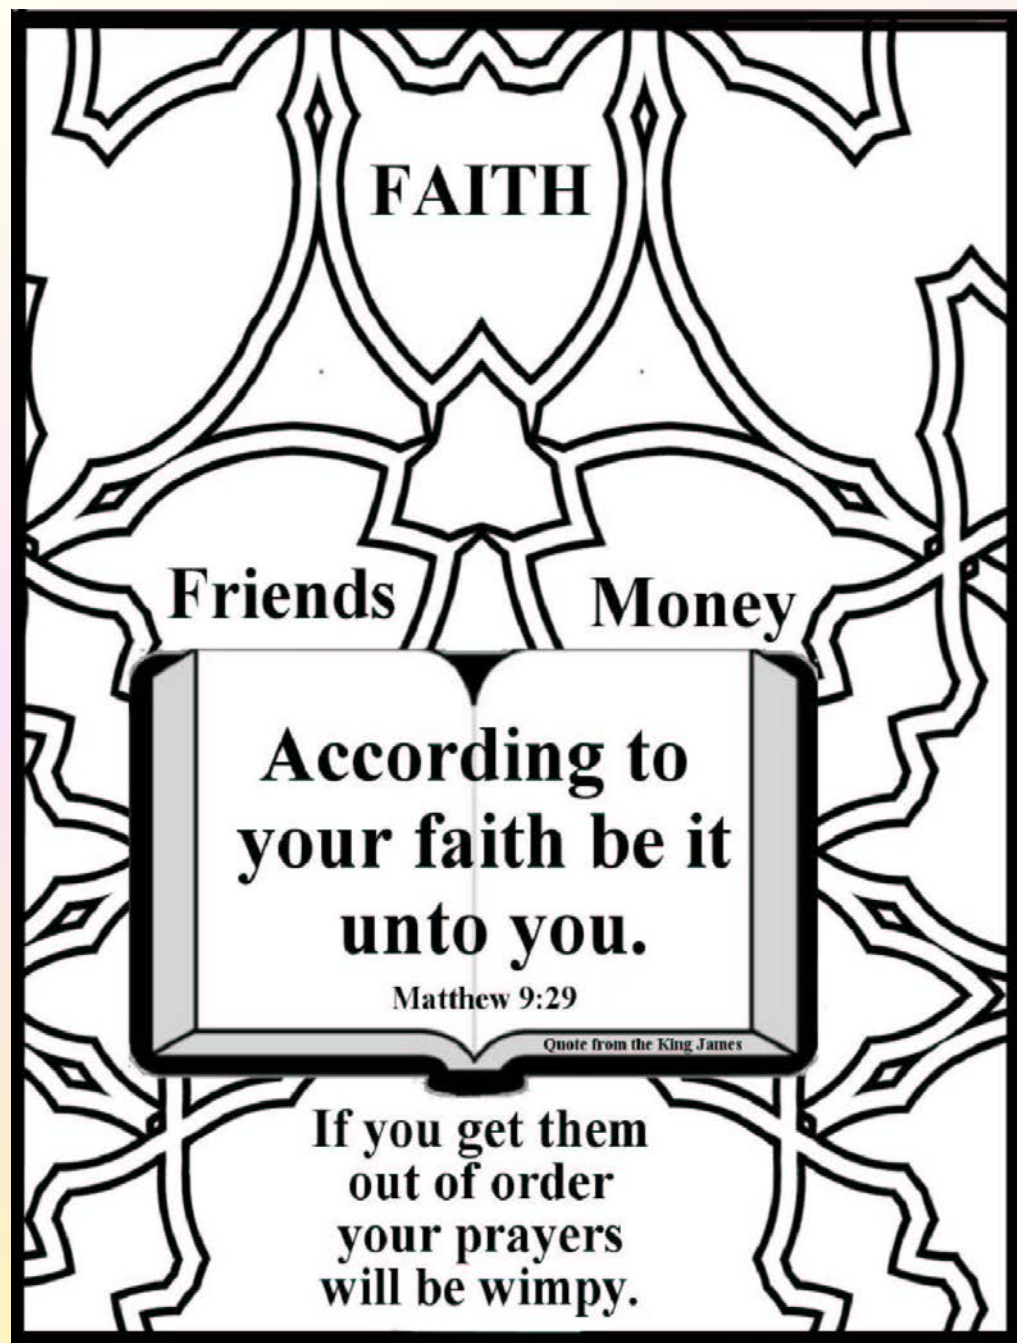

**“Faith is believing God is who he says he is and that he will do what he says.”**

It is impossible to pray without faith, or at least a seeking heart.

When we are not being mistreated or suffering from a lack of food or shelter most of us are pretty good at resisting temptation...but what about when our parents get a divorce or there is no food, or someone we love is killed...THEN we are tempted...all of us to turn our backs on God and solve our problems our own way. The only way a suffering soul can stand in the hard times is to pray.

**Cross country high power electric lines carry 135,000-370,000 volts. They never run parallel to fences because the electrical field would convey enough power into the fence to kill anyone who touched it.**

**That is one way Prayer works. When we line ourselves up with God his power flows through us.**

Jesus answers both big  
and small prayers.

He cares more about  
why we are praying

**Keep some near your Television for the next time your  
children need something to do.**

**To read the verse...the children will need a mirror.**

**To understand it they will need to pray.**

**Encourage both.**

Without the help of a mirror our brains will not understand this coloring page. Without prayer our spirits will not understand.

The lesson of mirror coloring pages is that you can't pray rightly without scripture AND you can't understand scripture without prayer.
