Temptation is all about rules, rules at school, rules at home, rules for driving a car...hundreds of rules.

Nearly all of them are meant to keep us from getting hurt or killed.

Breaking God's rules is called sin. This whole coloring book has one idea...to keep you safe...safe from temptation and safe from sin.

**When God says don't
and we want to do it anyway,
THAT is temptation.**

**When is the last time
YOU were tempted?**

**Did you ask Jesus
to help?**

Being good is easy if everybody loves you and you have plenty of food and a safe place to stay. It is when we are lonely, hungry, afraid, or angry that we are tempted to break the rules.

Anger is one of the most dangerous feelings and can tempt a child or an adult in many ways. We invite you to visit:

Self control means being careful what you do or say. It means THINKING, it means being led by love, it means putting a Bible verse in your pocket each morning, it means praying. In this verse it means learning to listen to the Holy Spirit.

Our Father,
who art in heaven,
hallowed be thy name.
Thy Kingdom come,
thy will be done,
on earth as it is in heaven
Give us this day our daily bread.
And forgive us our trespasses,
as we forgive those
who trespass against us.
And lead us not into temptation,
but deliver us from evil.
For thine is the kingdom,
the power and the glory.
for ever and ever.
Amen

Try NOT to think about a pink elephant. It is the same with smoking, stealing or any temptation you can name. The more you try NOT to think about it the worse it gets. This Bible verse tells us a great way out. Hope you save it.

Our dream is that every Parent and Church in the Body of Christ does everything in their power to put at least one Bible verse a day in the life of every child in the world.

Click the left hand image to print the verses and the Right hand Image for what we believe are interesting questions To print on the back.

We pray the coloring pages become the one thing parents need most... a starting place in sharing God's word. And that when the children are a bit older mom and dad graduate to "Pocket Scriptures" and snip off a verse a day to tuck in their child's pocket.

Minimum Daily Requirement
Don't make any child do without.

God is bigger than any temptation. Ask him to help.

Be careful who you choose for friends. Adam should never have listened to Eve.

He helps us with our feelings. He helps us think of new things we could do instead of the old.

Resisting temptation on your own may just make it stronger. Next time you are tempted try prayer.

Bible verses are important. They keep our soul safe.

Being tempted to ignore God's warnings is dangerous.

We are looking for people who care about future generations to keep our coloring pages IN CIRCULATION. Could you save this slideshow to your computer. Then you will have the master links to all our resources. May you share the links with others.

**All the pdf files and slideshows are stored on
<https://www.bibleparent.com/coloring.html>
We are loading these two sites as quickly as possible.**

As long as just one soul has these links our work will be available to future generation. We THANK YOU...sincerely.

At my death all our resources revert to the public Domain with the stipulation they not be altered or offered for sale.

**Would your family consider making one
night a week friends night?
Your children's friends will be less likely to
tempt your child if they know you and
where you stand.**
